- Reaching the whole child and increasing graduation rate and after graduation-college, military, career
- Have parent representation for all grade levels
- All are welcome to join and participate to raise awareness and implementing the four year plan for students and influence change
- Would like to introduce listening sessions for families
- S. Y. Mason-Watson shared idea to implement Audio/Video to enhance the message and posting videos to the website even perhaps a podcast to interview parents and students to increase their participation. The media center has the equipment to implement this. Perhaps a google form could be generated to see if any interest.
- L. Riley shared the Mecklenburg County Library is giving away refurbished laptops to students 18 years and older however they the link is currently closed and will revisit in February once laptops are available again.

7. Open Discussion

- M. Ausman-Grant Chair-School awarded a \$750 grant from the City of Charlotte and funds will be used to paint a mural representing the four grade levels, 495 and Mr.

Parker. Mural must be done by the end of the year for the City of Charlotte's budget. Would like to coordinate to have the painting completed on the Fall Beautification Day.

- C. Haynes-Ms. Young French Teacher (President of French Teachers) looking for 20 families to host 20 students from France from 2/10-2/24. Families do not need to have a student enrolled in French. Interested families should reach out.
- P. Strand-Shared about two families in need and if a family hardship fund could be implemented to assist with food, gift cards, meal delivery, sign up genius for meal delivery options/door dash. Also, an idea to create a directory of small businesses that are families to help promote their local businesses and could possible work hand in hand with the Booster clubs and could even be a part of the East/Garinger Community event. Could also have them pay a small fee for advertising in the directory similar to the ad's in the yearbooks
- R. Parker had thought of having East Meck Alumni spotlights. They could be present during lunchtime to share their successes and could possibly promote and share their highlights on Instagram.
- Upcoming Events:
